| Credits                            | No credit given. In the General Japanese Language Course, a transcript (with grades) will be issued in the name of the Director of the OIEE.                                                                                                                                                                                                                                                                                                                             |
| Course Objectives                  | Students in this class will organize the advanced grammar and expressions required for study and research life at university, and will learn these skills by doing many exercises.                                                                                                                                                                                                                                                                                       |
| Course Goals                       | Master the basic meanings and usages of the grammar and expressions at the advanced level (that is required for passing the Japanese-Language Proficiency Test N1).                                                                                                                                                                                                                                                                                                      |
